RECONSIDERSTION ORDER

UMG RECORDING, INC. et al.,

Defendants.

This request is in response your dismissing of translation Enterprises as they have a lot to do with this copyright infringement and Appropriation, also referred to as misappropriation as they had a big hand in the unauthorized use of my person, name, photograph, likeness, voice and endorsement for financial gain see attached document and although appropriation may involve speech or communication, the First Amendment does not protect its practice. I did give two listing for the address one in the body of the argument and one in the department of state document although I was not sure of the right one I believe it to be this address as followed: translation Enterprises 10 jay street Brooklyn New York 11201 also see attached document for these reasons I ask honorable judge JOHN P. CRONAN of the United States District Court reconsider this defendant.

The request is granted. The Clerk of Court is respectfully directed to add "Translation Enterprises" as a Defendant in this case and to issue summons and deliver to the U.S. Marshals Service all the paperwork necessary for the Marshals Service to effect service on Translation Enterprises at 10 Jay Street, Brooklyn, New York, 11201.
